

CLn[®] Skin Care

Order Today | www.CLnWash.com

Body Wash

Uniquely designed for skin prone to eczema and infection

Sport Wash

Head-to-toe cleanser for skin prone to infection, acne and folliculitis

Hand & Foot Wash

For hands, feet and nails prone to fungus, infection and athlete's foot

Acne Cleanser

Clarifying wash with salicylic acid, clears and prevents acne breakouts to restore smoother looking skin

Facial Cleanser

Everyday cleanser for sensitive skin

Facial Moisturizer

Provides lightweight, daily nourishment for long-lasting hydration

Shampoo

Added salicylic acid for normal to oily scalps prone to folliculitis or dandruff

Gentle Shampoo

For normal to dry scalps, the moisture rich ingredients help relieve itching and flaking due to dermatitis and eczema

How to Use

1. Wet affected area.
2. Using hands to form a lather, massage into skin, hair, or nails for 1-2 minutes.
3. Rinse thoroughly and pat dry.
4. Apply moisturizer or conditioner as needed.

For best results, turn off water during recommended cleansing time to allow wash to work deep into the skin, hair follicles and nails.
